## **Melbourne Gin Co.** - Australia 14

A gin that encapsulates a city. Paying homage to London Dry Gin, Melbourne Dry is a classic gin with a twist of Melbourne.

## **Hendricks** - Scotland 15

Hendricks is an unusual gin created from eleven fine botanicals. The curious, yet marvellous, infusions of rose & cucumber imbue our spirit with its uniquely balanced flavour resulting in an impeccably smooth distinct gin.

## **The Botanist** - Scotland 14

22 hand-foraged local botanicals delicately augment nine berries, barks, seeds and peels during an achingly slow distillation. The first Islay dry gin is a rare expression of the heart and soul of the remote Scottish island.

## **Scapegrace** - Canterbury 14

12 botanicals and water from the earth 80 years after it was hurled down on New Zealand's Southern Alps.

## **Hector's** - Akaroa 14

Named for the Hector's dolphins that swim off Akaroa. A dry gin with flavour profiles foraged from

## **Tanqueray** - England 12.5

A perfectly balanced gin and one of the most awarded gins in the world.

## **Haymans** - England 11

Using only the finest botanicals available combined with the two-day gin making process, the botanicals are infused in English wheat spirit for an entire day allowing the full natural flavours to shine through.

## **Bombay Sapphire** - England 10

Every drop contains 10 hand-selected botanicals from exotic locations around the world.
